

RADON REPAIR GIVES BACK to Butternut Valley

The Radon Repair team has been inspired by Angela and her Allies this testing season.

We are giving back to Angela's community by way of THREE - \$1,000 Giving Back draws from all Radon Repair mitigation clients from Butternut Valley. (See below for municipalities). We will include all eligible clients from November 1 2023 to November 1 2024. If you have tested and found high Radon levels, call us for a free in home quotation and Radon education. If you choose Radon Repair as your radon management specialist before November 1, 2024*, you will have a chance to win back some of your mitigation costs~.

If you are not one of the lucky 3 from this draw, all remaining Butternut Valley eligible clients will also be eligible for a chance at a grant, see below.

Let's not stop there, we are hoping that the New Brunswick government decides to introduce grant money for Radon mitigation.

Radon Repair has decided that we will start it off. Introducing the

2024 Radon Repair Mitigation Grants

In 2024, Radon Repair will be giving back \$3,000 in grants to our Radon Mitigation clients~. All eligible clients~ will be entered into a draw for one of THREE \$1,000 grants to go towards their Radon mitigation cost. If you have tested and found high Radon levels, call us for a free in home quotation and Radon education. If you choose Radon Repair as your radon management specialist before November 1, 2024*, you will have a chance to win back some of your mitigation costs~.

We love giving back, help us give back more and achieve our goal of

REDUCING LUNG CANCER BY 15%

Make sure your friends and family all test their homes for Radon!

When we have all homes tested and mitigated we will achieve our goal!

We can do this with your help.
